## Site Purpose

---

The purpose of this site is three-fold. The home page will contain a current weather story with corresponding image and town information. The town weather pages will contain weather conditions and other town information or relevant articles/content. All pages will have images that are used to reflect the current weather condition data on the town pages and the towns themselves.

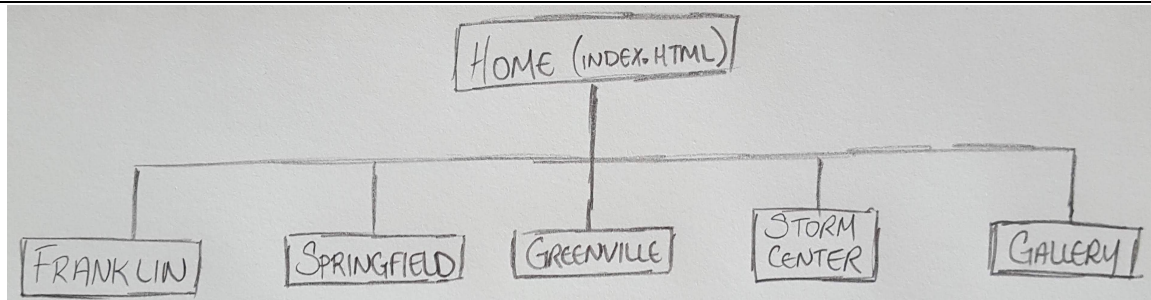

## Target Audience

---

The target audience will be adults who live in or around the cities, or tourists looking to visit the cities. The age range will likely be between 28 and 45. They will be expecting a professional and clean website with clear information.
